MEDITATION ROOM

A 3D architectural rendering of a modern building. The building features a white facade with dark-framed windows on the upper levels and a lower level with large glass doors. A prominent feature is a tall, vertical wooden slat screen or wall on the right side. The building is set against a blue sky with scattered white clouds. In the foreground, there is a paved area with a small white table and chairs, and a row of young green trees. A dark grey rectangular box in the top right corner contains the text.
